**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need the Broadband Network! Its critical to my home and business. Please help us keep these smaller companies that we can afford. Financially, I needed to choose an affordable Network.

Please allow us to have competitive sources, its vital to communities and small businesses. Youd be doing a great service to Oakland if you allow us the choices we prefer over big business.

Sincerely,

Womens Plumbing Repair of Oakland CA
